

Why become a Friend of NE?

Friends of NE will receive many of the same benefits available to active NE members.

These include:

- *Ventures*—NE's quarterly newsletter
- NE listserv—connect with colleagues
- Networking Benefits: Access to member conference calls and mini-meetings
- Access to specialty groups: Authors, Coaches, Corporate Health, Internet & Business Technology, Private Practice, and Speakers
- Member pricing on educational seminars and publications
- Participation as non-voting members of committees and task forces

NE's mission is to be the advocate of the dietetics profession serving the public through promotion of optimal nutrition, health and well being.

NE's goal is to be the indispensable resource for operating a nutrition and food related business.

Until now, membership in Nutrition Entrepreneurs, a dietetic practice group of the American Dietetic Association, has been limited to those individuals who were qualified to be ADA members.

Nutrition Entrepreneurs is pleased to offer a **Friends** category that will allow and encourage the sharing of skills and knowledge with individuals and corporations that are not qualified for active membership in ADA.

NE believes that **Friend** participation will create opportunities for sharing and collaboration that will benefit our members as well as other professional colleagues and organizations that promote our goals.
